SECTION B

51. **Read the passage below and in full sentences, answer the questions that follow.**

We have very many sources of news. In print media, we have newspapers and magazines among others.

A newspaper is very important in several ways. It gives us a lot of information about different things everywhere in the world.

When one reads a newspaper, one develops the skill in reading and interpreting information. The information in the newspaper is not limited like that in the magazine.

A newspaper puts advertisements and announcements at a cheaper price. So reading newspapers should be a must for both pupils and adults for growth and enlightenment.

Whoever ignores reading newspapers may have a number of dangers in future.

Questions

1. How many sources of news are there according to the passage?

2. Where do we have newspapers and magazines?

3. In how many ways is a newspaper important?
