### **SECTION B**

**51. Read the passage below carefully before answering the questions that follow in full sentences.**

Work bees are the busiest bees in a hive. They are female bees. They do all the work in the hive.

The workers keep the queen safe. They feed her and the young ones. In winter (when the weather is cold), the workers keep the hive warm. They beat their wings over the queen's hive to make heat.

The workers also build the honey comb cells. The new cells are made for eggs. The workers clean the cells, too.

Schools, schools

They educate us for our future

Teachers teach us to write well

Matrons teach us how to wash and lay our beds

All these learnt at schools

After our teachers have taught us, and

Matrons have looked after us well,

We become lawyers, teachers, doctors, mayors, nurses and accountants

Schools, schools.
