

**GAYAZA JUNIOR SCHOOL**  
**P.5 SOCIAL STUDIES WITH RELIGIOUS EDUCATION**  
**HOLIDAY WORK 2021**

Name: \_\_\_\_\_ Stream \_\_\_\_\_

**SECTION A**

1. Identify any one district found in the central region of Uganda.  
\_\_\_\_\_
2. What is the importance of a map scale on a map?  
\_\_\_\_\_
3. Give one importance of electricity to a Primary five pupil.  
\_\_\_\_\_
4. How are forests important to a carpenter?  
\_\_\_\_\_
5. Which European explorer named Mt. Rwenzori “Mountains of the moon”? \_\_\_\_\_
6. How is fire that was discovered by early man useful today?  
\_\_\_\_\_
7. How is a D.E.O important in a district?  
\_\_\_\_\_
8. State the main importance of the police in our community.  
\_\_\_\_\_
9. Name the harmful insect which spreads sleeping sickness to humans. \_\_\_\_\_
10. Give the importance of trees in the school compound.  
\_\_\_\_\_
11. Why is Buvuma called an Island district?  
\_\_\_\_\_
12. Give one factor that led to the growth and expansion of Buganda kingdom. \_\_\_\_\_
13. State any one role of the district chairperson.  
\_\_\_\_\_

---

14. Give any one role of a good citizen.

---

15. Identify any one group of people who need a compass during their daily work. \_\_\_\_\_

---

16. Give any one importance of preserving the wildlife below.

---

17. Name any one legend that is told in the central region of Uganda.

---

18. State any one lesson we learn from the legend of the spear and the bead. \_\_\_\_\_

---

19. How is Pubungu related to the migration and settlement of the Nilotics? \_\_\_\_\_

---

20. What do we call the political head of a district?

---

21. How are swamps important to ceramics factories?

---

22. How are people able to cross rivers without boats?

---

23. State one way the government can reduce on rural-urban migration. \_\_\_\_\_

---

24. Why does Bududa experience landslides?

---

25. Name the map symbol below.

26. Why do doctors wear uniforms?

27. State any one role of the central bank in a country.

28. Name the LC1 leader in-charge of children's affairs.

29. State one role of the father in a home.

30. Apart from the central region, identify any one other region in Uganda.

31. How did early man tame a dog?

32. How is Lake Albert important to the people of Uganda?

33. How is a radio important in a home?

34. How is the yellow traffic light important to the road users?

35. Why did God create man?

36. Who is our creator?

37. What do we call the last day of lent period?

38. Who is the earthly father of Jesus?

39. Apart from being chased from the Garden of Eden, identify any other punishment that was given to Adam and Eve.

40. Name any one commandment that was given to Moses.

## **SECTION B**

41. Match the raw material to the product.

Raw material

Product

Limestone

ceramics

Cotton

cement

Sugarcane

clothes

Clay

sugar

42. a) What are social services?

\_\_\_\_\_

b) Identify any two social service centres.

\_\_\_\_\_

c) Identify any one group of people who provide security in the community. \_\_\_\_\_

43. a) What is irrigation?

\_\_\_\_\_

b) State any one importance of irrigation.

\_\_\_\_\_

c) State any two sources of water for irrigation.

\_\_\_\_\_

44. a) What is leadership?

\_\_\_\_\_

b) Identify any two roles of leaders in the community.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

c) How do most political leaders acquire the leadership

\_\_\_\_\_

c) How is weather forecast important to a farmer?

---

48. a) Name the country that neighbours Uganda to the west.

---

b) State any two problems faced by Uganda because of her location.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

c) How is South Sudan related to Uganda in terms of location?

---

49. a) Write UWA in full: \_\_\_\_\_

b) How is UWA important to Uganda?

---

c) Identify any two examples of game parks in Uganda.

---

50. a) What is a nation? \_\_\_\_\_

---

b) State any two attributes of Uganda as a nation.

i) \_\_\_\_\_

ii) \_\_\_\_\_

c) Why is the crested crane standing on one leg?

---

51. a) State any two factors that led to the growth and expansion of Bunyoro kingdom.

i) \_\_\_\_\_

ii) \_\_\_\_\_

b) What were the soldiers of Omukama called?

---

c) What title was given to the ruler of Bunyoro?

---

52. a) Why do people wear light clothes on hot/sunny weather?

---

b) How are these weather instruments important at a weather station?

i) Hygrometer 

---

ii) Barometer 

---

iii) Rain gauge 

---

53. a) What are religious leaders?

---

b) How are religious leaders important to people in the community?

---

c) Identify any two examples of religious leaders.

i) 

---

ii) 

---

54. a) Where did Moses receive the Ten Commandments from?

---

b) What happened when Moses was receiving the Ten Commandments?

---

c) Mention any two commandments that were given to Moses.

i) 

---

ii) 

---

55. a) When do most Christians go to church?

---

b) Give any two reasons why Christians pray?

i) 

---

ii) 

---

c) Identify any one way Christians pray to God.

---

## P.5 ENGLISH LANGUAGE

### HOLIDAY WORK 2021

Name: \_\_\_\_\_ Stream \_\_\_\_\_

#### SECTION A

**For questions 1 – 15, use the correct form of the words in the brackets to complete the sentences.**

1. I met a \_\_\_\_\_ on my way to the city. (Ghana)
2. The two \_\_\_\_\_ did not appear before the chief judge. (witness)
3. My daddy bought the radio \_\_\_\_\_ than the laptop. (expense)
4. The conductor charged five thousand shillings for all the \_\_\_\_\_ (passenger)
5. As soon as I saw him, he \_\_\_\_\_ behind the kitchen door. (to hide)
6. Momo is \_\_\_\_\_ on his bed. (to lie)
7. The man measured the \_\_\_\_\_ of the pit latrine yesterday afternoon. (deep)
8. The song was \_\_\_\_\_ very well. (sing)
9. Our teacher of English told us that all letters must be \_\_\_\_\_ before posting them. (envelope)
10. To avoid \_\_\_\_\_ wrong contacts, always check in the telephone directory. (dial)

11. As the dog was chasing the thief at night, it knocked \_\_\_\_\_ on a tree. (self)
12. The thief \_\_\_\_\_ never to steal again after a heavy punishment. (swear)
13. We \_\_\_\_\_ the reverend at the church tomorrow morning. (to meet)
14. The pupils were asked to pay \_\_\_\_\_ in order to understand what was being taught. (attend)
15. Both \_\_\_\_\_ were not revised by the National Curriculum Development Committee. (syllabus)

**In each of the questions 16 – 20, fill the spaces with a suitable word.**

16. A gang of \_\_\_\_\_ broke into mummy's grocery yesterday.
17. Richard Oumo is \_\_\_\_\_ honourable member of parliament of our constituency.
18. Girls are \_\_\_\_\_ interested in cooking than collecting firewood.
19. When the passenger reached his \_\_\_\_\_, he paid the fare to the conductor.
20. Take your car to the \_\_\_\_\_ for repair.

**In questions 21 and 22, re-write the sentences giving the plural form of the underlined word.**

21. That chimney needs repair.
- \_\_\_\_\_

22. The policeman is so tough.
- \_\_\_\_\_

**For questions 23 – 24, arrange the words in alphabetical order.**

23. permit, parking, passenger, pilot

---

24. save, same, sake, safe

---

**For questions 25 – 27, re-write the sentences giving the opposite form of the underlined words.**

25. Our team has lost the game.

---

26. Show me the exit to this building.

---

27. We must create friendship in the community.

---

**In each of the questions 28 – 30, give the full form for the given abbreviations.**

28. PP \_\_\_\_\_

29. PIM \_\_\_\_\_

30. CC. \_\_\_\_\_

**In each of the questions 31 – 50, re-write the sentences as instructed in the brackets.**

31. Mr. Luyombya is a teacher at our school. His daughter scored aggregate four in the final exams. (Re-write the sentence using: ..... whose .....)

---

32. My mother arrived home before my father went to bed.  
(Rewrite the sentence and begin: My father .....)

---

33. If our teacher of English does not come to school, we shall not learn letter writing. (Re-write the sentence beginning: Unless ....)

---

34. Ocho is a brown girl. She is beautiful. She is responsible and tall. (Re-write as one sentence without using: who, which, and)

---

35. My sister Ritah will wash the crockery. She will also mop the house. (Rewrite the sentence using: Not only .....)

---

36. My aunt did not attend the clan meeting. My uncle did not attend the clan meeting.  
(Join into one sentence beginning: Neither ..... nor .....)

---

37. That book is very educative. Everyone in our class wants to read it. (Re-write as one sentence using: .... such .... that ....)

---

38. Ugandans are very hardworking people.  
(Re-write the sentence ending: ..... are!)

---

39. I will pick my letter from the post office if I go to town. (Re-write the sentence using: ..... would .....)

---

40. Unless he buys a mobile telephone, he will not receive telephone calls. (Re-write the sentence using: If .....)

---

41. No one helped Stella to write a friendly letter. (Re-write the sentence ending: ..... herself)

---

42. akello said we must revise our notes during the school lock-down (Punctuate the sentence correctly)

---

43. There was no need for Robert to bring people's phones here. (Re-write using: ..... necessary)

---

44. The villagers preferred taking the thieves to the policeman's home than to the police post. (Re-write the sentence using: .... interested ...)

---

45. He swore not to steal anymore and then he was set free. (Re-write beginning: Having .....)

---

46. Joel is a lawyer and so is Joseph. (Re-write and separate the sentence)

---

47. Joyce may travel by air. She may travel by bus. (Re-write as one sentence using: ..... either ..... or .....)

---

48. Forgery is a very illegal act. It leads to imprisonment. (Re-write and join into one sentence using: ..... such .... that ....)

---

49. The luggage is very heavy. The conductor cannot lift it alone. (Re-write as one sentence using: .....too ..... to .....)

---

50. We should help ourselves during trouble. (Re-write beginning: One .....)

---

## **SECTION B**

51. **Read the passage below and answer the questions that follow in full sentences.**

Once upon a time, Ugandans had a lot of freedom to move at any time, in any vehicle and to anywhere. But because of the COVID-19 pandemic, their movement is restricted. This has made the life of Ugandans so hard that they can't easily reach their destinations.

The public service vehicles can no longer carry their defined number of passengers neither can the P.M.O carry their defined numbers. The bodaboda riders have suffered a lot because they cannot carry passengers and neither can they work beyond 6:00 pm.

Some heartless Ugandans have used this crisis to overcharge the miserable Ugandans by tripling the transport fares. Not only that but also the pupils and students in schools and higher institutions of learning have been so affected because they have to attend the same classes for closely to three years.

### **Questions**

1. What is the passage about?

---

2. What pandemic has greatly affected Ugandans?

---

3. Who can no longer carry their defined passengers?

---

4. Which category of people can't work beyond 6:00 pm?

---

5. Who is overcharging the miserable Ugandans?

---

6. How has this pandemic affected pupils and students in higher institutions?
- 
7. Suggest any two ways you can prevent COVID-19 spread at home.
- 
8. What lesson do you learn from this passage?
- 
9. Suggest other words to mean the following as used in the passage;  
(i) restricted \_\_\_\_\_ (ii) heartless \_\_\_\_\_
52. **Read the Poem and answer the questions that follow in full sentences.**

Print media, Print media  
You are so great  
You keep all people informed  
Without you, we can't survive  
Long live print media.

You are a friend to all literates  
You are user friendly  
For you aren't so costly  
That is why you are a favourite to many  
Long live print media.

We thank all the journalists  
Reporters and editors for  
Writing nothing other than the truth  
This makes you so special  
Long live print media.

## Questions

1. What is the poem about?

---

2. Why is print media so great?

---

3. What can happen without print media?

---

4. Who is a friend to all literates?

---

5. Why is print media favourite to many?

---

6. Who are so special according to the poem?

---

7. Why are the above people so special?

---

8. When was this poem written?

---

9. What lesson do you learn from this poem?

---

10. Who wrote this poem?

---

53. **Re-arrange the following jumbled story to make a good story.**

1. Glory and honour to those who invented the modern means of communication.

2. Modern communication is so vital.

3. And it was so expensive and tiring to the communicator.

4. You help us to pass on messages from one person to another.

5. This wasn't friendly because you could take longer and spend more money.

6. This can be done through phones, e-mails and post offices

among others.

7. Where our ancestors had either to walk or travel to their destinations.
8. The above simplifies and makes it so easy to reach one another.
9. You replaced the ancient means of communication.
10. For instance through letter writing, e-mailing, surfing and sending letters.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

54. **Read the notice below and answer the questions that follow in full sentences.**

PUBLIC NOTICE

The Ministry of Defense, following the president's directive on the control of the spread of COVID-19 in Uganda, hereby informs all Ugandans that there shall not be any movement of vehicles, bodabodas and people beyond 7:00 pm starting from Saturday 19<sup>th</sup> June, 2021. Any body found breaking the above, will either pay a fine of 100,000/= or kept in cells for 48 hours.

Gen. Kakamu John  
P.S Ministry of Defense  
10/6/2021

**Questions**

1. To whom is the notice addressed?

\_\_\_\_\_

2. What is the notice about?

\_\_\_\_\_

3. Which Ministry has made the above notice?

\_\_\_\_\_

4. Who wrote the notice?

\_\_\_\_\_

5. At what time should people stop moving?

\_\_\_\_\_

6. When will this directive be implemented?

\_\_\_\_\_

7. How much will the defaulters of the above directive pay?

---

8. What is the responsibility of the person who wrote this notice?

---

9. When was this notice written?

---

10. What has the writer called for?

---

55. **In 150 – 200 words, write a composition about Schools Closure due to COVID-19 pandemic.**

The following points can guide you.

- Name of your school, location, type of school, your class
- Mention where you spent the holiday, the activities you do at home, the people with whom you stay and what you are doing to prevent the COVID-19 spread at your home.

**Note:**

Your composition should have;

- a title
- introduction
- body (composition content)
- conclusion
  
- Punctuate your work correctly
- Paragraph your work
- Use correct tense and spellings
- Be neat

Blank lined area for writing or drawing.

## P.5 MATHEMATICS

### HOLIDAY WORK 2021

Name: \_\_\_\_\_ Stream \_\_\_\_\_

#### SECTION A

1. Work out:  $136 + 24$

2. If Set  $K = \{ \text{prime numbers less than } 15 \}$   
List all the members of Set K

3. Simplify:  $6q + 4k - 2q + k$

5. (a) In the number 43875,  
find the value of 3 .

b) Write the above number  
in words.

6. Grace weighs 48 kg.  
Express her weight in  
grams

4. Find the width of a rectangle whose area is  $60\text{cm}^2$  and length  $12\text{cm}$ .

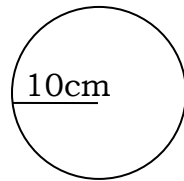

7. Joan is XVI years old. Her sister Joselyn is XII years old. Express their total age in Hindu Arabic numerals.

8. Add  $132_{\text{five}} + 42_{\text{five}}$

9. Write 4156 in expanded form.

10. Subtract:
- | Hrs   | Mins |
|-------|------|
| 8     | 15   |
| 4     | 35   |
| <hr/> |      |
| <hr/> |      |

11. The radius of the circle below is  $10\text{cm}$ . Calculate its diameter.

12. Andrew bought a watch at sh. 8500 and later sold it sh. 6000. What was his loss?

13. Given that  $M = \{a, b, c\}$   
How many subsets has  
set  $M$  ?

15. A mother gave  $\frac{3}{5}$  of her  
wealth to the daughter and  
 $\frac{1}{4}$  to the son. What was  
their total share.

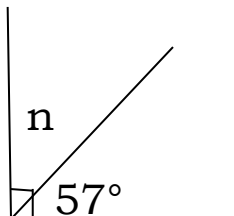

17. A basket contains 4 red  
apples and 5 green apples.  
Find the probability that  
a green apple is picked at  
random from the basket.

14. Daddy was driving at a speed  
of 85km/hr for 2 hours.  
What distance did he cover?

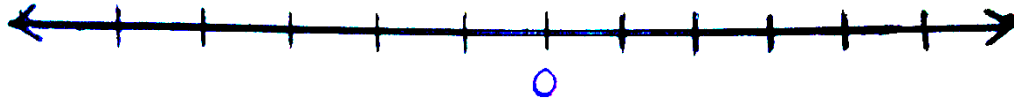

16. Prime factorise 24 and give  
your answer in power form.

18. Daniella was facing north.  
She turned clockwise to  
face south east, through  
which angle did she turn?

19. Find the value of  $n$  in the figure below.

20. Use a number line to arrange: -2, +3, 0, -5, and +2 in ascending order.

### **SECTION B**

21. Given the digits; 3, 1 and 5

**a)** Form the largest number using the above digits.

**b)** Form the smallest number using the above digits.

**c)** Find the difference between the largest and smallest number.

**d)** Find the sum of all the numbers formed less than 400 .

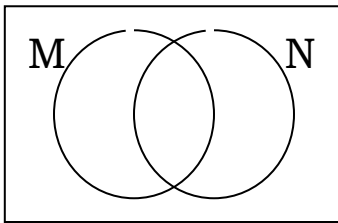

22. Given that;

$$M = \{1, 3, 5, 7, 9\}$$

$$N = \{0, 1, 2, 3, 4, 5\}$$

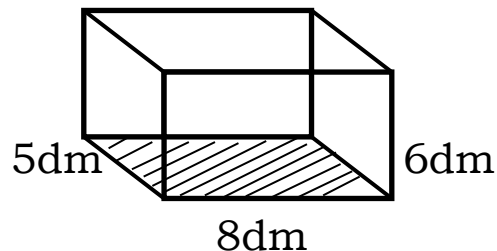

**a)** Represent the above sets on the Venn diagram below.

**b)** Find  $n(M \cap N)$

**c)** Find  $M - N$

23. Study the figure below and use it to answer the questions about it.

**a)** Name the figure above.

**c)** Calculate the volume of the above figure.

**b)** Find the area of the shaded part.

**c)** How many vertices has the figure.

24. Aunt went for shopping with sh. 50,000 and bought the following items.

4 kg of sugar at sh. 3000 per kg

2 kg of rice at sh. 4000 per kg

3 bars of soap at sh. 3500 each

2 loaves of bread at sh. 9000

a) How much did she spend altogether?

b) Calculate her change.

25. In a class of 240 pupils,  $\frac{5}{8}$  are girls and the rest are boys.

a) What is the fraction of the boys in the class?

b) How many boys are in the class?

- c) If each pupil pays sh. 20,000 for swimming, how much is collected from the girls only?

26. Faith obtained the following marks in the four subjects;

Mathematics - 85%

English - 92%

Science - 76%

Social studies - 95%

- a) What was the best done subject?
- b) What was her worst mark?
- c) Find the range of her marks.
- d) Work out her average score.

27. Compare the following statements using  $>$ ,  $<$  or  $=$

a)  $125 \dots\dots\dots 215$

b)  $3 \text{ weeks} \dots\dots\dots 14 \text{ days}$

c)  $(2 \times 6) \dots\dots\dots (8 + 4)$

d)  $9 \text{ months} \dots\dots\dots 1 \text{ year}$

28. (a) In the number 4.327, what is the place value of 2 ?

(b) Add:  $6.24 + 3.4$

(c) Multiply:  $\frac{3}{4} \times \frac{2}{9} \times \frac{8}{6}$

29. Given that  $\mathbf{p} = 6$ ,  $\mathbf{q} = 3$  and  $\mathbf{r} = 5$

(a) Find the value of  $\mathbf{p} + \mathbf{q} - \mathbf{r}$

(b) Find the value of **pqr**

(c) Work out:  $p^2 - r^2$

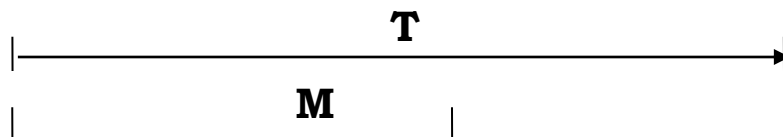

30. The clock face below shows the evening time.

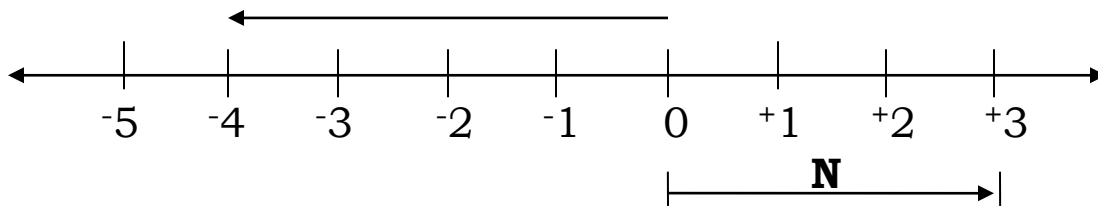

a) What is the time?

b) Change  $3\frac{1}{2}$  hours to minutes.

31. Use the number line below to answer the questions that follow;

a) Write down the integers represented by;

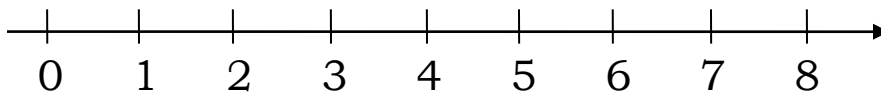

M =

T =

N =

b) Write the Mathematical sentence for the above number line.

32. a) Multiply  $3 \times 2$  using a number line.

b) How many sh.500 coins can be exchanged for sh.10,000?

c) Change  $32_{\text{ten}}$  to base five

# **GAYAZA JUNIOR SCHOOL**

## **P.5 INTEGRATED SCIENCE**

### **HOLIDAY WORK 2021**

*Name:* \_\_\_\_\_ *Stream* \_\_\_\_\_

#### **SECTION A**

1. What is the importance of immunisation to a child?  
\_\_\_\_\_
2. How is a flower important to a plant?  
\_\_\_\_\_
3. Apart from weathering, how else is soil formed?  
\_\_\_\_\_
4. How are teeth important in the process of digestion?  
\_\_\_\_\_
5. Why is mercury used in thermometers instead of water?  
\_\_\_\_\_
6. How is debeaking important in poultry keeping?  
\_\_\_\_\_
7. Why should a broken limb of a casualty be tied with a splint?  
\_\_\_\_\_
8. How do plants benefit from animals in the environment?  
\_\_\_\_\_
9. Why can't photosynthesis take place at night?  
\_\_\_\_\_
10. How can dirty water be made clean for the purpose of washing?  
\_\_\_\_\_
11. How can farmers improve on their local breeds of goats?  
\_\_\_\_\_
12. How are bats different from doves in their way of reproduction?  
\_\_\_\_\_
13. How does smoking of a hive help in harvesting honey?  
\_\_\_\_\_

14. How are animal droppings helpful to a farmer?
- 
15. State the difference in units used to measure weight and mass.
- 
16. Which method of heat transfer enables a person to iron clothes?
- 
17. Why does a coin sink when it is dumped in a basin full of water?
- 
18. State the role of enzymes during food digestion.
- 
19. Why is breast feeding encouraged for at least two years?
- 
20. Which process makes dew disappear during hot days?
- 
21. Why is water obtained through filtration not safe for drinking?
- 
22. State a way in which a P5 pupil can use a measuring cylinder in class.
- 
23. How is pollination an important process in plants?
- 
24. State any one way in which heat is important to a black smith.
- 
25. How do farmers protect bees against their ground enemies?
- 
26. What is the behaviour of an object whose density is  $25\text{g/cc}$  in water?
-

27. How do mosquitoes spread diseases?

---

28. State one way in which clouds modify weather.

---

29. Give one method farmers use to identify their animals on the farm.

---

30. Why should impurities be removed from water for human consumption?

---

31. How can accidents be controlled in a school?

---

32. Why is it important to maintain proper sanitation in a community?

---

33. How are sweet potatoes propagated?

---

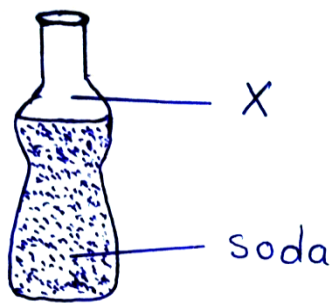

34. Why is docking practiced in sheep management?

---

35. Convert  $50^{\circ}\text{C}$  to Fahrenheit degrees.

---

36. Why was gap X left in the bottle below?

37. State one effect of inadequate food supply in the community.

38. Why are handles of a frying pan made of wood?

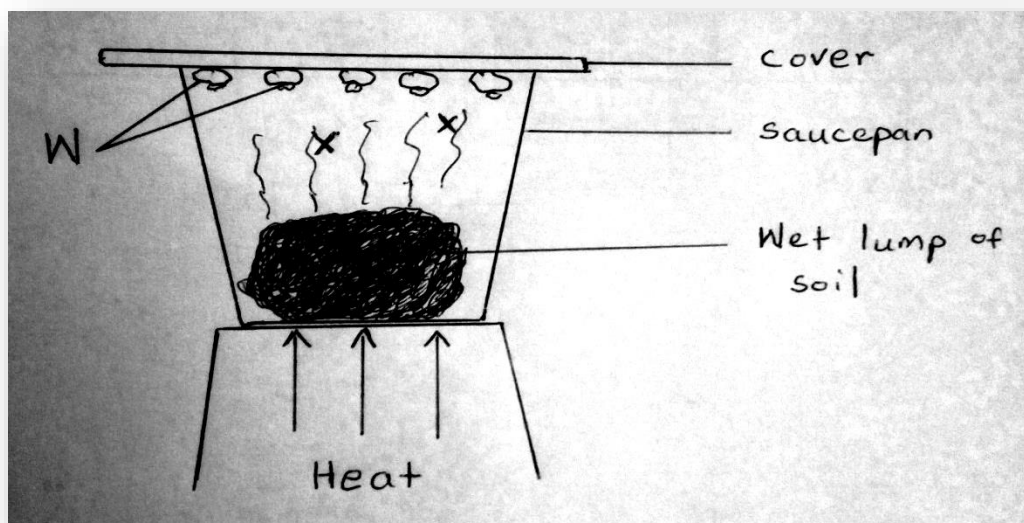

39. State any one food taboo in the community.

40. What type of energy is possessed by a rolling stone?

## **SECTION B**

### **SOIL**

41. Study the experiment below and use it to answer the questions that follow.

(a) What does the experiment prove about soil?

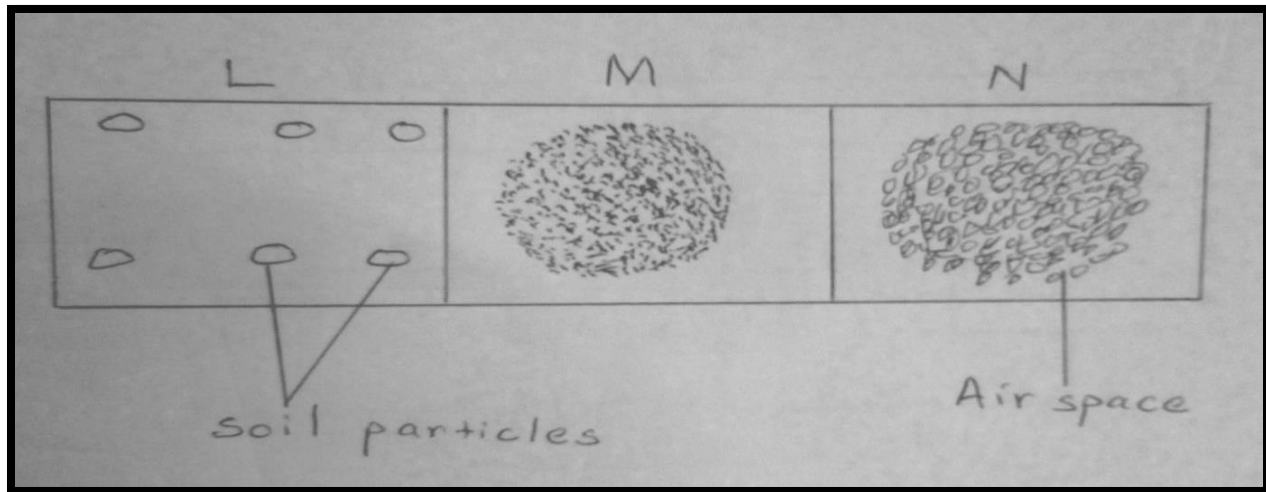

(b) What does **W** show?

(c) Name the process marked **X** on the diagram above.

(d) State any one importance of water as a component of soil.

---

42. Study the diagram below showing characteristics of soil and answer the questions that follow.

(a) Identify the type of soil marked N.

---

(b) Which letter shows the type of soil with low soil capillarity?

---

(c) What type of soil has the highest drainage?

---

(d) Give any one difference between type of soil marked N and L.

---

(e) In which any one way can people make use of soil type M?

---

43. State the meaning of each of the following terms:

(a) Soil drainage \_\_\_\_\_

---

(b) Soil capillarity \_\_\_\_\_

---

(c) Soil fertility \_\_\_\_\_

- 
- (d) Soil exhaustion \_\_\_\_\_
- 
- (e) Soil erosion \_\_\_\_\_
- 
- (f) Soil conservation \_\_\_\_\_
- 
- (g) Leaching \_\_\_\_\_
- 
- (h) Weathering \_\_\_\_\_
- 
- (i) Silting \_\_\_\_\_
- 
- (j) Crop rotation \_\_\_\_\_
- 
- (k) Afforestation \_\_\_\_\_
- 
- (l) Agro-forestry \_\_\_\_\_
- 
- (m) Mulching \_\_\_\_\_
- 

44. How do the following methods improve on soil fertility?

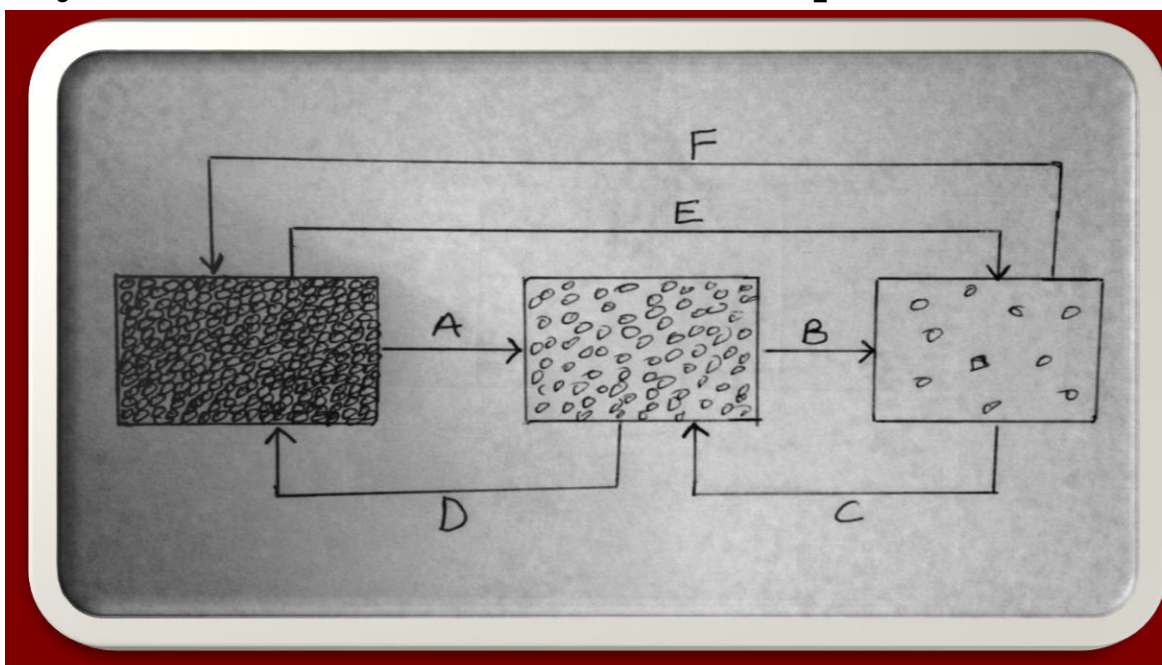

- (i) Mulching \_\_\_\_\_
- 
- (ii) Crop rotation \_\_\_\_\_
- 
- (iii) Afforestation \_\_\_\_\_
-

(iv) Bush fallowing \_\_\_\_\_

(v) Intercropping \_\_\_\_\_

## MATTER AND ENERGY

45. Study the table below and answer the questions that follow.

(a) Name the processes at;

A \_\_\_\_\_

B \_\_\_\_\_

C \_\_\_\_\_

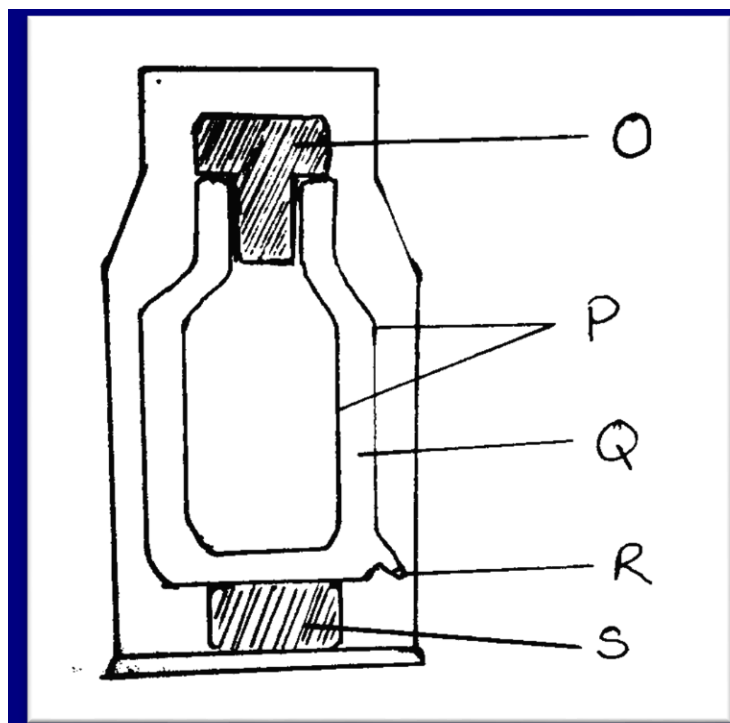

D \_\_\_\_\_

E \_\_\_\_\_

F \_\_\_\_\_

(b) Give any one letter which shows a process where heat energy is given off. \_\_\_\_\_

46. **Study the diagram below carefully and answer the questions that follow.**

(a) State the use of a vacuum flask.

---

(b) Name the parts labeled :

O \_\_\_\_\_

R \_\_\_\_\_

P \_\_\_\_\_

S \_\_\_\_\_

Q \_\_\_\_\_

(c) What material is used in the making of part O?

---

(d) Why wouldn't you advise someone to use a metal in part O?

---

(e) How does part O prevent the loss of heat in a thermos flask?

---

(f) How does heat pass through part Q?

(g) In which way does part P prevent loss of heat?

FOOD AND  
NUTRITION

47. (a) What are vulnerable groups of people?

(b) Name any two vulnerable groups of people.

(i) \_\_\_\_\_ (ii) \_\_\_\_\_

(c) State any two conditions in which women are vulnerable.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_

48. (a) State the meaning of the following;

(i) breast feeding \_\_\_\_\_

(ii) bottle feeding \_\_\_\_\_

(b) Write down any two reasons why mothers should breast feed their babies.

(i) \_\_\_\_\_

(ii) \_\_\_\_\_
