

**P.5 SCIENCE SCHEME OF WORK TERM III 2023**

PD	THEME	TOPIC	S/TOPIC	COMPETENCES	CONTENT	METHODS	L/ACTIVITIES	L/SKILLS	L/AIDS	REF	R W K S
1 ↓ 2	Human Health	Accidents Poisoning And first aid	Accident at home, on the way and at school	<ul style="list-style-type: none"> <li>- Learner defines an accident</li> <li>- Names, types of accidents</li> <li>- States causes of accidents</li> </ul>	<ul style="list-style-type: none"> <li>- Language</li> <li>- Learner Reads</li> <li>- Spells words</li> <li>- Constructs sentences</li> </ul>	<ul style="list-style-type: none"> <li>- An accident is a sudden happening that causes harm to the body unexpectedly</li> </ul>	<ul style="list-style-type: none"> <li>- Carried discovery</li> <li>- Guided discussion</li> </ul>	<ul style="list-style-type: none"> <li>- Defining accidents</li> </ul>	<ul style="list-style-type: none"> <li>- Problem solving</li> <li>- Creative thinking</li> </ul>	Chart	Bernard Bk 4 Pg 162-5 Abridged cu 5 Pg 76

		accidents	Controlling road accidents	- Don't drink and drive & don't drive & drink - Not playing on the road - Good road maintenance - Stop overloading and speeding	Types of injuries - Cuts - Burns and scalds - Fractures - Sprains - Strains - dislocation	Carried discovery Guided discussion Explanatio n	Naming types of injuries Defining each type of injury	Problem solving Creative thinking	Chart	Abridged Curr 5 Pg 76 St,Benar d Bk 4 Pg 166. 168
3	Human Health	Accidents Poisoning And first aid	Types of injuries	Learner Mentions types of injuries Defines types of injuries	Learner Reads Spells words Constructs sentences	Question and answer	Carried discovery Guided discussion Explanatio n	Defining poison and poisoning Mentioning causes of poisoning Stating control of poisoning	Detergents Batteries	Abridged Curr 5 Pg 76 St,Benar d Bk 4 Pg 169. 170
4	Human Health	Accidents Poisoning And first aid	Poisoning	Learner defines poisoning Mentions causes of poisoning Mentions controls of poisoning	Learner Reads Spells words Constructs sentences	Question and answer	Carried discovery Guided discussion Explanatio n	Defining poison and poisoning Mentioning causes of poisoning Stating control of poisoning	Detergents Batteries	Abridged Curr 5 Pg 76 St,Benar d Bk 4 Pg 169. 170
5										Prevention of poisonous Don't drink real thing you see what it is not labelled

2	1	Human Health	Accidents Poisoning And first aid	<ul style="list-style-type: none"> <li>- Learner defines first aid and first aid kit</li> <li>- Mentions components of first aid kit and their uses</li> <li>- Mentions qualities of a good first aider</li> </ul>	<p><b>Define</b></p> <ul style="list-style-type: none"> <li>- First aid</li> <li>- First aid kit</li> <li>- First aider and first aid box</li> <li>- Qualities of a good first aider</li> <li>- Reasons why we give first aid</li> <li>- Components of a first aid kit and their uses</li> <li>- Giving first aid to different accident victims</li> <li>- For bleeding</li> <li>- For fracture</li> <li>- For burns and scalds</li> <li>- Sprain, strain and dislocation</li> <li>- Poisoning</li> </ul>
					<p><b>Problem solving</b></p> <p>Creative thinking</p>
					<p>Abridged Curr 5 Pg 76 St.Benar d Bk 4 Pg 174-175</p> <p>Abridged Curr 5 Pg 78 St.Benar d Bk 4 Pg 174-175</p>

				common intestinal diseases Treatment and prevention of intestinal diseases ORS	Question and answer		Pg 123-126
2	3 Human health	Disease vectors, Communicable intestinal diseases and worm Infestation	Worm infestation	Learner: - mentions types of worms - mentions how worms enter our bodies - signs and symptoms of worms	Carried discovery - Types of worms - How worms are spread - How worms enter our bodies - Signs and symptoms of worms - Control of worms - Structure of a tape worm	- Naming types of worms - How worms are spread - worms are spread - Control of worm infestations	Chart Abridged Curr 5 Pg 79 St,Benard Bk 4 Pg 132-138
	4						
5	Human health	Disease vectors, Communicable intestinal diseases and worm Infestation	Disease vectors Mosquitoes	Learner: - Defines disease vectors - Mentions examples of vectors - Mentions types of mosquitoes and diseases	Learned Reads - Examples of disease vectors - Types of mosquitoes and disease spread - How to control the multiplication of vectors (Mosquitoes) - The life cycle of a mosquito	- Defining vectors - Mentioning examples of vectors - Diseases spread by mosquitoes and control	Chart Abridged Curr 5 Pg 78 St,Benard Bk 4 Pg 146-148
	3						
2	Human health	Disease vectors, Communicable intestinal diseases and worm Infestation	The cockroach and tsetse fly	Learner: - Mentions characteristics of cockroaches and tsetse flies - Mentions their feeding habits - Mentions their life cycles - Diseases spread and prevention	Learned Reads - Spelling words - Constructs sentences - Spelling words - Constructs sentences	- Mentoring characteristics of tsetse fly and cockroach - Drawing and labeling their life cycles	Chart Abridged Curr 5 Pg 78 St,Benard Bk 4 Pg 149-152

3	4	Human health	Disease vectors, Communicable intestinal diseases and worm Infestation	Fleas, rats and mice	Learner Reads - Mentions diseases spread by fleas - Mentions the life cycle - Controls of fleas, rats and mice	Learner Reads - Spells words - Constructs sentences	- Fleas hide in fur of dogs, cats and rats - Fleas feed on blood - They spread bubonic plague and typhus fever - Rats and mice carry fleas - They spread bubonic plague and typhus fever	- Mentioning diseases spread by rats and fleas - Control of rats	Problem solving Creative thinking	Rat traps Chart	St, Benard d Bk 4 Pg 153-154
5	5	Human health	Disease vectors, Communicable intestinal diseases and worm Infestation	Ticks, lice and bedbugs	Learner Reads - Mentions their life cycle - Mentions diseases they spread - Control and prevention of diseases	Ticks - Learner Reads - Characteristics of ticks - Life cycle of a tick - Controlling diseases spread by ticks	Learner Reads - Spells words - Constructs sentences	Mentioning characteristics of ticks, lice and bedbugs Prevention of ticks, lice and bedbugs	Problem solving Creative thinking	Abridged Curr 5 Pg 78	Benard Bk 4 Pg 155-159
1	1	Human health	Disease vectors, Communicable intestinal diseases and worm	HIV/AIDS	Learner Reads - Mentions HIV, AIDS in full - Mentions how HIV/AIDS	HIV/AIDS in full - Learner Reads - Spells words - Constructs sentences	HIV/AIDS is spread - Ways of caring for HIV/AIDS patients - PIASCY messages to stop HIV/AIDS	Writing HIV/AIDS in full Spells words Constructs sentences	Problem solving Creative thinking	Chart	Abridged Curr 5 Pg 79

		Infestation		is spread	from spreading	Ways of caring
				• Mentions ways of caring for HIV/AIDS patients	- Controlling the spread of HIV/AIDS	for HIV/AIDS patients
2	Human health	Immunization	Immunity	Learner - Defines immunity - Names types of immunity - Importance s of immunity	Learner - Learner Reads - Spells words Constructs sentences	- Defining immunization and immunity - Types of immunity - Natural & Artificial - How does the body get immunity - Importances of immunity
4	3	Human health	Immunization	Immunisa ble childhood diseases	Learner - Mentions childhood immunisable diseases	Learner - Learner Reads - Spells words Constructs sentences
4	4	Human health	Immunization	Vaccines	Learner: - Defines a vaccine - Mentions examples of vaccines - Mentions administrat ion of vaccines	Learner - Learner Reads - Spells words Constructs sentences
1	Human health	Immunization	Immunizati on centres	Learner: - Mentions different immunisati on centres - Child health card and its importance	Learner - Learner Reads	- Different immunistaion centres - Immunization personnel - Information on a child health card - Importance of a child health card
2	Human health	Immunization	Other immunabl e diseases	Learner: - Mentions other	Learner - Learner Reads	- Other immunisable diseases - Signs and

3				- Immunisbal e diseases - Mentions signs, symptoms and their control measures	Spells words Constructs sentences	- symptoms of these diseases - How these diseases are spread - Control measures	Spells words Constructs sentences	diseases How these diseases are spread	Creative thinking		
5	4	Human health	Immuniza tion	Revision exercises	Learner Reads	End of unit exercise (Nos 1-10)	Learner Reads	Mentioning other immunisable diseases Spells words Constructs sentences	Problem solving Chalkb ard illustra tions	Baroque Sci 5 Pg 49	
5	Human body	The teeth and digestive system	Teeth	Learner - Mentions types of teeth - Draws and labels parts of a tooth	Learner Reads Spells words Constructs sentences	- Types of teeth Sets of teeth - Structure of a tooth and their functions	Learner Reads Spells words Constructs sentences	- Mentioning types and sets of a teeth - Drawing a tooth and naming parts	Chart Abridged Curr 5 Pg 83	St. benard 4 pg 97-98	
1	Human body	The teeth and digestive system	Teeth	Learner - Mentions uses of different teeth - Care of teeth - Things we need to care for teeth	Learner Reads Spells words Constructs sentences	- Functions of types of teeth - Caring for our teeth - Things we need to care for our teeth - Diseases of the teeth - Prevention and control of teeth diseases	Learner Reads Spells words Constructs sentences	- Problem solving Real objects	Chart St. Bernard Bk 4 Pg 103-108		
2	Human body	The teeth and digestive system	Digestive system	Learner - Draws and labels parts of a digestive system	Learner Reads Spells words Constructs sentences	- The structure of the human digestive system and its parts	Learner Reads Spells words Constructs sentences	- Drawing and labeling parts of a digestive system	Chart Abridged Curr 5 Pg 83	Baroque Sci 5 Pg 52	Baroque
3	Human	The teeth		Functions	Learner	Parts of the	Learner	- Mentioning ...	- Problem		

6	body and digestive system	of parts of digestive system	- Mentions functions of parts of digestive systems	Reads Spells words Constructs sentences	- digestive system Uses of parts of digestive system	Reads Spells words Constructs sentences	functions of parts of digestive system	solving Chart Sci 5 52-53
5	Human body	The teeth and digestive system	Process of digestion	Learner Reads Spells words Constructs sentences	- Where digestion starts and ends Define peristalsis Define enzymes Examples and uses of enzymes	Learner Reads Spells words Constructs sentences	- Describes the process of digestion	Problem solving Chart Baroque Sci 5 53-54
7	1 Human body	The teeth and digestive system	Disorders of the digestive system	Learner: - Mentions disorders of digestive system	- Disorders of digestive system Sign and symptoms of disorders Prevention and control of these disorders	Learner Reads Spells words Constructs sentences	- Mentioning disorders of the digestive system	Problem solving Chart Abridged Curr 5 Pg 83 Baroque Sci 5 56
2	Human body	The teeth and digestive system	Diseases of the digestive system	Learner: - Mentions diseases of the digestive system and their control	- Diseases of the digestive system Causes, signs and symptoms of these diseases Prevention and control of these diseases	Learner Reads Spells words Constructs sentences	- Mentioning diseases of the digestive system	Problem solving Chart Abridged Curr 5 Pg 83 Baroque Sci 5 57
3			How to maintain the digestive system	Learner: - Mentions how to maintain a digestive system	- Measures to maintain the proper functioning of the digestive system	Learner Reads Spells words Constructs sentences	- Mentioning how to maintain the digestive system	Problem solving Chart Baroque Sci 5 58
4	Human body	The teeth and digestive system	Revision exercise		End of unit exercise	Learner Reads Spells words Constructs sentences	- Mentioning how to maintain the digestive system	Problem solving Chart Baroque Sci 5 58

**KIRUHURA PRIMARY SCHOOLS HEADTEACHER'S ASSOCIATION**

**P.S SOCIAL STUDIES SCHEME OF WORK TERM III 2023**

WEEK	TOPIC	STOPIC	CONTENT	SUBJECT COMPETENCES	LANGUAGE COMPETENCES	PREREQUISITE KNOWLEDGE	METHODS.	L.AIDS	ACTIVITIES	LIFE SKILLS/VALUES	REFERENCE	RM KS
1 1	Living together in Uganda	The road to independence	Definition of independence States characteristics of an independent nation	The learner defines independence Gives characteristics of an independent nation	The learner reads, spells and writes words and sentences related to an independent nation	Colonial rule in Uganda	Discussion Demonstration Guided discovery	A chart showing residents of Uganda since independence	Defining independence Giving characteristics of an independent nation	Sharing Love Appreciation Sympathy	MK stdbk5 page 117 Comp std bks Pg 165	
2	Living together in Uganda	The road to independence	Presidents of Uganda since independence	Edward mutesa II, Milton Obote, Idi Amin Dada and Yusuf Lule	The learners, lists contributions of Milton obote, Idi Amin Dada and Yusuf Lule		Discussion Guided Discovery		Listing and identifying contributions of Dr. Milton Obote,Idi Amin Dada, Yusuf Lule Godfrey Lukongwa Binisa And H.E Yoweri Kaguta Museveni	Care, love, effective communication	Mk standard bk 5 Pg 117-119	
3	Living together in Uganda	The road to independence	Presidents of Uganda	Godfrey Binalisa Lukongwa, Paulo Muwanga and the 1980 general elections	The learner states reasons for conducting the 1980 general elections					Sharing Love Appreciation	Mk standard bk 5 Pg 120	
4	Living together in Uganda	The road to independence	Presidents of Uganda	Tito Okello Lutwa	The learner states the way Tito Okello became a president		Guided discovery Discussion					
5	Living together in Uganda	The road to independence	Presidents of Uganda									
2 1	Living together in Uganda	The road to independence	Symbols of Uganda as a nation	- Explains the meaning of a symbol of a nation - Identifies significance of symbols of a nation - The Uganda national	The learner reads, spells and pronounces words related to the Uganda national anthem		Discussion Demonstration	A chart showing the three stanzas of the Uganda National Anthem		Giving meaning of symbols of a nation Identifying significance of symbols of a nation	Respect Care Critical thinking Appreciation	Mk standard bk 5 Pg 123-124

				anthem								
2	Living together in Uganda	The road to independence	Symbols of Uganda as a nation	- The coat of arm, its features And their significance in Uganda	Identifies features of the coat of arms and their significance	The learner, reads, spells and writes sentences related to the coat of arm	Symbols of a school	Discussion Guided discovery	A chart showing the Uganda coat of arm	Identifying features of the Uganda coat of arms and their significance	Respect Care Critical thinking	Mk standard bk 5 Pg 126-127
3	Living together in Uganda	The road to independence	Symbols of Uganda as a nation	- The Uganda National flag, its colours and their significance to ugandans	-mentions the significance of the three colours of the Uganda National flag	The learner reads, spells and writes sentences related to the Uganda flag		Discussion Guided discovery	A chart showing the Uganda National flag	Mentioning the significance of the three colours of the Uganda national flag	Sharing Love Appreciation	Mk standard bk 5 Pg 123-124
4	Living together in Uganda	The road to independence	Symbols of Uganda as a nation	- The national emblem (crested crane) - Reasons why the crested crane	Draws the crested crane standing on one leg lists reasons why a crested crane was chosen	The learner, reads, spells and writes sentences related to the national emblem (crested crane)		Discussion Guided discovery	The chart showing the crested crane standing on one leg	Drawing the crested crane on one leg	Love Appreciation Critical thinking Respect	Mk standard bk 5 Pg 128
5	Living together in Uganda	The road to independence	Symbols of Uganda as a nation	- The national language, motto, map,, constitution, currency and capital city	The learner states the Uganda motto, currency and capital city	The learner, reads, spells and writes sentences related to the national constitution		Discussion Guided discovery		Stating ugandas motto, currency and capital city	Sharing Love Appreciation	Mk standard bk 5 Pg 129
3 1 & 2	Living together in Uganda	The government of Uganda	The organs of the government of Uganda	- Definition of a government - Types of governments - Systems of governance - Differences between a local and central government	The learner defines a government Identifies types of governments, systems	The learner defines a government Identifies types of governments, systems Gives differences between local government and central government	Levels of leadership in local councils	Discussion Demonstration Guided discovery	A chart showing organs of a democratic government	Defining a government Identifying types of governments Identifying systems of governance Giving differences between a local and central government	Love Appreciation Critical thinking Respect Observation	Mk standard bk 5 Pg 131
3	Living together in Uganda	The government of Uganda	<u>The executive</u>	- Duties of the executive - Groups of people under executive authority	Identifies duties of the executive Mentions groups of people under executive authority	The learner reads, spells and pronounces new words	Levels of leadership in local councils	Discussion Exposition	A chart showing organs of a democratic government	Identifying duties of executive Mentioning groups of	Love Appreciation Critical thinking	Mk standard bk 5 Pg 132

5	Living together in Uganda	The government of Uganda	Democracy	- Meaning of democracy - Importance of democracy - Indication of democracy in a country - Principles of democracy in a country	The learner defines democracy and gives its indicators in a country Gives indicators and principles of democracy in a country	The learner reads, spells and pronounces new words related to democracy	School elections	Discussion Guided discovery
5.1	Living together in Uganda	The government of Uganda	Democracy	- Advantages and disadvantages of democracy - Roles of citizens in promoting democracy	- Identifies Advantages and disadvantages of democracy	A chart showing people voting	Defining democracy Giving indicators and principles of democracy in a country Identifying advantages and disadvantages of democracy	Love appreciation on Critical thinking Respect Observation
2	Living together in Uganda	The government of Uganda	Electoral process in Uganda	- Types of elections - Electoral process in Uganda - The electoral commission (EC)	- The learner, identifies types of elections - Describes electoral process in Uganda and duties of electoral commission	School elections	Discussion Guided discovery	Mk standard bk 5 Pg 137
3	Living together in Uganda	The government of Uganda	Duties of the government	- Signs of modern democracy - Duties of the government - Sources of government revenue	- The learner reads, spells and pronounces new words related to government and revenue	Duties of a father in a home	Discussion Guided discovery	Sipro learners work book page 23-30
4	Living together in Uganda	The government of Uganda	Government Taxation	Learner identifies	The learner	Sources	A chart showing modern signs of democracy	Mk standard bk 5 Pg 137
								The Sipro Self
								at the end of the lesson Gives indicators of democracy Sources of government revenue
								at the end of the lesson Gives indicators of democracy Sources of government revenue

Living together in Uganda		The government of Uganda		taxes		related to government and revenue				taxes		action Appreciation Problem solving	
6	Living together in Uganda	The government of Uganda	Communication	Type of communication Examples of traditional means of communication	The learner defines, communication, mentions examples of traditional means of communication	The learner reads, spells and pronounces new words related to Communication	Ways of sending message s	Discussion Guided discovery Demonstration	A chart showing traditional and modern means of communication	Defining communication Its types	Self awareness	The Sipro learners workbook5 pages 45&46	
6.1	Living together in Uganda	The government of Uganda	Communication	Examples of modern communication	Gives examples of modern and traditional means of communication	n							
2	Living together in Uganda	The government of Uganda	Communication	- Importance of communication - Challenges of communication	The learner lists the importance of communication Mentions challenges facing communication	The learner reads, spells and pronounces new words related to communication		Discussion Guided discovery Demonstration	A chart showing traditional and modern ways of communication	Stating the importance of communication Mentioning challenges facing communication	Effective communication Problem solving	The Sipro learners workbook5 pages 46	
3	Living together in Uganda	The government of Uganda	Communication	Uses of radios	The learner lists the importance of radios Mentions examples of radio stations in uganda			Discussion Guided discovery	A chart showing traditional and modern means of communication	Listing the importance of radios Mentioning examples of radio stations in Uganda	Self awareness	The Sipro learners workbook5 pages 46	
4 & 5	Living together in Uganda	The government of Uganda	Uganda revenue Authority	Duties of URA Problems faced during revenue collection and their solution Dangers of smuggling and their solution	The learner identifies duties of URA Gives problems faced during revenue collection and their solutions Gives dangers of smuggling and their	The learner reads, spells and pronounces new words related to URA	Sources of income in our families	Discussion Guided discovery	Smuggling and their solutions	Identifying duties of URA Gives problems faced during revenue collection and their solutions	awareness	The Sipro learners workbook5 pg 50	
1	Living together in Uganda	The government of Uganda	Qualities of a good citizen	Who is a good citizen	The learner identifies qualities of a good citizen								States qualities of a good citizen

		good citizen	pronounces new words related to citizenship	Discussion			
2 Living together in Uganda	The government of Uganda	Child abuse	- definition of child abuse - forms of child abuse - cause of child abuse - children rights effects and solutions to child abuse - causes of child labour and its solutions	The learner defines Child abuse Identifies forms and causes of child abuse Gives effects and solutions to child abuse	Other rights	Defining child abuse Identifying forms and causes of child abuse Gives effects and solutions of child abuse	The Sip learners workbook pg 58 - 59
3 Living together in Uganda				A chart showing different forms of child abuse	Role of playing Group discussion	Self awareness Effective communication Appreciation Critical thinking	
4 Living together in Uganda	Population size & distribution	Terms used in population	• Population growth • Population census	The learner reads and pronounces new words related to census	Discussion	Mk standard bk 5 Pg 145, 146 & 149	
5 Living together in Uganda	Population size & distribution	Population census	•	Identifies the importance of population census	Guided discovery	Self awareness Effective communication Appreciation Critical thinking Self	Mk standard bk 5 Pg 146
1 Living together in Uganda	Population size & distribution	Census night	Problems faced during census night Defines census night Problems faced by enumerators Activities done on a census night	Gives factors that influence population growth, distribution density and explosion	Discussion Role playing Story telling	Defining population terms related to population Identifying importance of population census and problems faced during census giving factors that influence population growth, density, explosion and distribution	Defining population distribution Stating factors affecting population distribution
2 Living together in Uganda	Population size & distribution	Population distribution	Defines population distribution Factors that influence population distribution	The learner Defines population distribution List Factors affecting population distribution Uganda's population	Guided discovery	Mk standard bk 5 Pg 147	Effective communication Appreciation Defining population distribution
